THE NEW PRO WAY TO COVER

THE NEW PRO WAY TO COVER

French Blending™

Don't cover greys. Blend them.

Multidimensional colour. Graceful grow out.

Ask your stylist about these 3 new services.

First Blending.

Retouch Blending.

Total Blending.

Before **After**

"I want to blur my greys and reduce their visibility with low commitment."

- Dimensional low maintenance colour.
- Ideal for first greys and first-time colour.
- Glossy & shiny colour result.

Before **After**

"I still want to cover some of my greys but with a lower maintenance and in a more sophisticated way."

- Dimensional colour.
- Softer regrowth demarcation.
- Easier root touch-up management.

Before **After**

"I'm ready for a total change. Embracing some of my greys with a blended tailor-made look."

- Seamless natural grey blend.
- Enhanced greys with sophistication.
- Graceful grow-out.
